

To: All customers and all distributors

Production-Discontinuation: FS series

August 2021

Dear Sir and Madam,

Thank you for being our valued customer. We appreciate your continued business and support.

Due to difficulty of continuing to produce the following models, we would like to announce herewith a production discontinuation.

- | | |
|-------------------------------|--|
| 1. Affected models | : All FS models with a Tamagawa encoder
(Controller type "T1" or "T2" in the model name)
Note: the production of the other FS models (e.g. with Nemicon encoder) has already been discontinued. |
| 2. Reason for discontinuation | : Due to the low volume of recent orders |
| 3. Successor models | : Please find the next page. |
| 4. Order cutoff date | : August 24, 2021 |
| 5. Repair service cutoff date | : August 24, 2031
* The repair is only offered for models equipped with a Tamagawa encoder. However, this can be discontinued earlier as soon as the corresponding spare parts are no longer available. |

We sincerely apologize for any inconvenience caused by the discontinuation of the products and ask for your understanding and cooperation.

Best regards,

IAI Industrieroboter GmbH
